# How To Find Us ?

- Office Hour (TAs)
  - Tue. 2pm-4pm at Delta 724
- Email
  - Yu-Shan Lin: [yslin@datalab.cs.nthu.edu.tw](mailto:yslin@datalab.cs.nthu.edu.tw)
  - Yun-Sheng Chang: [yschang@datalab.cs.nthu.edu.tw](mailto:yschang@datalab.cs.nthu.edu.tw)
  - Yi-Chun Chen: [ycchen@datalab.cs.nthu.edu.tw](mailto:ycchen@datalab.cs.nthu.edu.tw)
- On-line Forum
  - GitLab

# The Policy of Submissions

- All assignments and projects must be submitted to GitLab.
- Late submission will **not** be accepted.
- Plagiarism will **not** be tolerated.
  - If we find you copy someone's code, **both** of you will get **0 point** for that assignment/project.
  - If you are not sure, ask us.

# Teaming

- Please register your team before **3/11 (Mon.)**
  - Registration form:  
<https://goo.gl/forms/jAvgyBPQBe8pbp8G2>
  - Checking:  
<https://docs.google.com/spreadsheets/d/10LmxgfGORMPu4NI6EP1egYTc2TNt9oxFDbja-SiqrG4/edit?usp=sharing>
  - We will announce the number of your team after we make sure that all students have their teams.
- Each team only needs one submission for each assignment/project.

GitLab

# GitLab

- GitLab is an on-line project management system
  - Works in the way similar to GitHub.
  - The community version is open-sourced.
- We have our GitLab server
  - <https://shwu10.cs.nthu.edu.tw/>
  - We have created account for you. You should receive a confirmation mail in your inbox.
  - Account: Student id (ex. 105062570)

## Practice Submission

This repository is built for practicing submissions for assignments and projects. You can follow the instructions below in order to know the whole workflow for submitting an assignment or a project.

### Try It !!

1. Fork this project.
2. Clone the project from GitLab to your local environment.

# How to submit an assignment ?

First, you need to know how to use Git

# Practice Yourself

- We prepare a repository for you to go through the workflow of submission in this course
  - <https://shwu10.cs.nthu.edu.tw/courses/databases/2019-spring/practice-submission>
